2026-27 Registrations will be open SOON

-Annual registrations need to be done regardless if you plan on staying in your currently enrolled school or if you plan to transfer to a different one.

The numbers from our registrations help teachers prepare for their classes, it helps staff organize additional supports for each class and helps us give more accurate projections which affect our budget.

CALENDAR REPORTING TIMELINES:

Grades 6-9 will be auditioning for **“Type Cast”** an ensemble play about auditioning for and being in a play. It's fun, witty and offers a great opportunity for creativity.

If being center stage isn't your preference. We will need help with creating sets, running lights, and working as crew. Closer to the performance date we will share information for how to get involved in those important roles.

A Fundraising Total of \$256.85

Some of our grade 6 girls took initiative in supporting WWF to help save the polar bears. These girls created a presentation which was first presented to our principal, and then went into classes to talk about this issue to their fellow students. The big fundraiser was a bake sale, where these girls baked and sold delicious cookies during lunch.

This one day bake sale raised \$256.85 which was donated to WWF for the support of saving the polar bears.

Well done Ilariia, Aurora, Adriana, Micah, and Charlie.

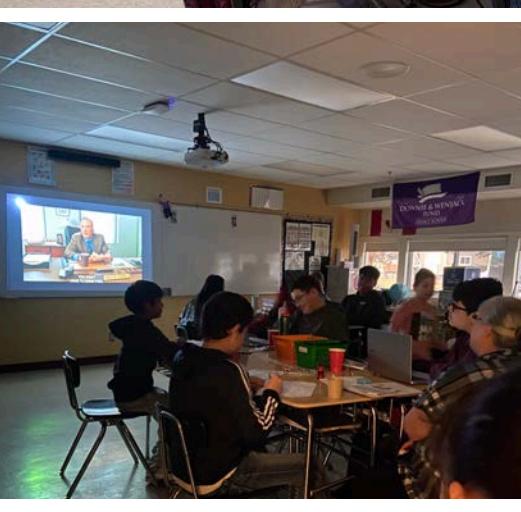

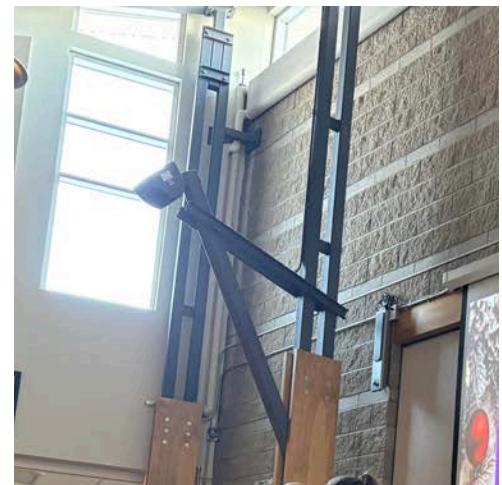

Mental Health Capacity Building Team

We have had some members from MHCB come join classes every Tuesday since November. This team works with students across the Holy Spirit School Division to promote mental, emotional, and social well-being.

Our Family School liaison counsellor Mr Jordan runs Communi-Tea: a drop in program at lunch for grades 5+ to socialize, play games and connect.
